Steve:

We've know each other many years and have worked together on many solutions. It's nice to know that we can always count on EPA Region 6 for support, technical assistance, and anything else the residents of Harris county need to ensure their safety. The past two weeks and the "incidents within the incident" have proved that once again.

Thank you for the kind words about the Harris County Fire Marshal's Office, our HazMat Response Team, and the Office of Homeland Security and Emergency Management. We could not do the things we do without our extended team, and that includes you, Roberto, and the rest of EPA Region 6.

Thanks for all that you do.

Regards,

Mike Montgomery
